HighVista Strategies LLC is an investment firm founded in 2005 with \$1.2 billion in assets under management. The firm offers an investment vehicle suitable for institutions and individuals to invest their permanent capital. HighVista follows an investment strategy similar to that employed by the most successful college endowments. The strategy involves investing broadly across both marketable and alternative asset classes, utilizing the firm's access to superior manager talent, controlling total portfolio risk, and paying careful attention to vehicle selection and execution costs.

HighVista is currently recruiting to make additions to our Research and Alternative Investments Teams. HighVista provides its employees with the opportunity to work in a challenging yet collegial environment and offers a competitive salary and benefits package.

Harvard On-Campus Recruiting is on Tuesday, November 20th.

Investment Analyst, Alternative Investments Team (71672S)

Coursework in finance and economics preferred; strong computer skills; Experience in an investment-related environment preferred; ability to clearly and effectively communicate, both orally and in writing.

Quantitative Analyst, Marketable Investments Team (71671S)

Strong quantitative skills critical – coursework in finance and economics and strong statistical background preferred. Ability to use analytical tools such as Matlab in modelling asset behaviour critical.

Resumes can be submitted online via the Experience website
Deadline to submit resumes is Wednesday, November 7th
