Subway fares are \$2 per ride and most transfers are free at underground stations. There are some useful tools for planning your trip available at [MBTA.com](http://MBTA.com). From the Blandford St. stop facing the outbound direction, Blandford Street is to your left.

Take the **Red Line** inbound towards either Braintree or Ashmont. Transfer to an outbound **Green B Line** at the Park Street Station. This is the second stop after the bridge over the Charles River. Continue on the B Line to **Blandford Street**. This is the first above-ground stop.

#### **From Riverside Station:**

Take the **Green D Line** inbound to Arlington Station and switch to an outbound **Green B Line** train. There is no free transfer at Copley Station. Take the B Line out to
