

NS547 Session 12 (At-home Session) – Checklist

There are just three main items for the at-home work this time. Item 4 is the usual reminder about Reflections.

- ____ 1. Complete the take-home final exam.

- ____ 2. Prepare a 15-minute presentation on the individual of your choice.

- ____ 3. Write an essay to accompany your presentation, and upload it to the wiki site.

- ____ 4. We would like you to reflect on how your teaching has been influenced by your participation in the ITOP courses. Please start a document on your computer with some thoughts about this, and upload it on the wiki site. Each week, you should add to your document and upload it to the wiki (<http://itop.pbworks.com>).

If you have questions about the material, or you'd like to comment on any aspect of the process, please use the discussion section of the wiki site. We will try to monitor the discussion board and post replies in a timely manner. Please feel free to reply to other people's questions and comments, though.
