OUT-GASSING REPORT

Taiyo PSR-4000 has been tested for out-gassing by the Goddard Space Flight Center. This information is presented on the web at:

<http://outgassing.nasa.gov/>

- Go to the above link
- Click on “Alphabetical Listing”
- Select the letter “P” for PSR and select “Execute Section B”
- Enter, scroll down to PSR-4000 products (through about 90% of the page) to find Taiyo products

Note: The meaning of “UV Cured” (second listing of each product) is a 2J UV bump performed *after* the 150° Air Cure.
