1. Complete the worksheets, on thermodynamic cycles, which are posted under session 10 at http://physics.bu.edu/~duffy/NS542.html. There is some reading material posted there, too.

2. Complete Assignment 4 on WebAssign. (http://www.webassign.net)

3. Read the physics education research reading for this week, posted on the wiki site. (http://itop.pbworks.com):

4. There will be a set of questions on this week’s reading on the wiki site. Please participate in the discussion.

5. Attend our on-line meeting on Monday from 8:30-9:30 pm. We will use this link for the whole course: http://bu.na5.acrobat.com/ns542athome/

If you have questions about the material, or you’d like to comment on any aspect of the process, please use NS542 wiki site. We will try to monitor the discussion board and post replies in a timely manner. Please feel free to reply to other people’s questions and comments, though.
